

## WSU Grants & Sponsored Projects Faculty & Staff Interests Profile

Grants & Sponsored Projects tracks faculty and staff members' interests to inform them about funding opportunities.

Please complete this short survey. G&SP will conduct a search and forward the results, as well as add you to our list for future updates. We also routinely distribute notices to departments.

### Identification Information:

Name:

Department:

### General Interests:

Identify disciplines, sub-disciplines, specialties, areas of interest, and types of support you may be interested in:

Identify keywords or phrases associated with the project (e.g., history, free trade, service learning, etc.):

### Specific Projects:

If you have a specific project for which you would like us to conduct a search, provide a brief description:

### Support Category

Describe what type of support you're seeking (e.g., program development, research, equipment, partnerships, curriculum development, travel, etc.):
