Payroll
The State of Minnesota issues paychecks on a bi-weekly schedule (26 pay periods per year). Each pay period covers a two-week time span starting on a Wednesday and ending on a Tuesday. You receive your check on a Friday, 10 days after the pay period ends. This 10 day delay is needed to process and distribute paychecks for the State’s 35,000 employees. Faculty must select either a 9-month or 12-month pay option. The state payroll calendar can be viewed at: http://mn.gov/mmb/accounting/payroll/calendars/

Federal and state income tax is withheld from your total gross pay based on the number of exemptions you claim on your withholding (W-4) form. The number of exemptions you claim can be found at the top/center of your payroll stub (i.e., M 04 04 means the check was withhold at married and 4 federal and 4 state exemptions). You can change your W-4 form on your self service website (www.state.mn.us/employee) under “Other Payroll” OR you can print off a W-4 form from the forms page on the Human Resources website and turn it in to Human Resources, Somsen 114.

Pay stubs/advice are not mailed to your home address. You can access your paycheck information on the Web at www.state.mn.us/employee. Type in your 8-digit SEMA4 ID number as User ID. If you cannot remember your password, click on “If you’ve forgotten your password, click here.” The system will generate a password that you can change the first time you access your site.

Questions regarding your paycheck can be addressed to the Payroll Office located in Somsen 106, (507) 457-5073, or Human Resources located in Somsen 114, (507) 457-5005.

Direct Deposit
Direct deposit is mandatory for all employees. The 2003 Legislature passed legislation in Minnesota Statute 16A.17, Subd. 10, that requires all state employees to receive 100% of their net pay through direct deposit. Direct deposit can be sent to more than one account or financial institution. For example, you can send a direct deposit to a savings account at a credit union and also send a direct deposit to a checking account at a bank.

Privacy: Direct deposit transactions are conducted using a secure transfer process and the Department of Finance treats all banking information as private.

Exceptions to 100% direct deposit are allowed for a limited number of situations, including:
- Temporary and emergency employees who are employed for 30 days or less from the date of hire
- Payments for small amounts paid to patients
• Deceased employees
• A check may need to be produced for one or two pay periods in select family dispute cases.

Other limited exceptions may be considered on a case-by-case basis.

Exceptions not allowed:
• Employees who don't have a checking or savings account due to bad credit or the lack of a banking relationship. Resolution: The State of Minnesota set up banking relationships with Hiway Federal Credit Union, Affinity Plus Federal Credit Union and U.S. Bank. These institutions will set up a savings and/or checking account with a cash card for employees in this situation.
• An employee’s checkbook, purse or wallet has been lost or stolen. Resolution: The employee should work with the credit union or bank and with agency payroll staff to change their account number and direct deposit as soon as possible. Losses during non-payday week provide adequate time to change account numbers. Losses during payday week require prompt attention since the direct deposit file has already been created.

To access your paycheck information, log on to www.state.mn.us/employee.
