

Policy on: Undergraduate Student Research and Creative Presentations Travel Support Grants

Purpose:

To support faculty- and staff-mentored student presentations at conferences and professional meetings of student research and creative projects.

Policy:

Winona State University will provide financial grants to eligible undergraduate students to present their research and creative projects at conferences and professional meetings under the sponsorship of university faculty or staff members. Winona State University will establish guidelines and procedures to review, award, and administer the grants. The Student Grants Committee will be responsible for reviewing Undergraduate Student Research and Creative Presentations Travel Support Grants.
