### Excused Absence Leave Policies

*Whereas*, current University policy does not establish stringent attendance requirements for classes,

*Whereas*, students facing military deployment and/or the loss of a loved one are not guaranteed a period of excused absence,

*Whereas*, the lack of established leave policies has been detrimental to the academic success and economic well-being of students,

*Therefore be it resolved*, Winona State University Student Senate requests the timely development and implementation of a comprehensive leave policy for students including but not limited to military service, religious observation, and grief; in order to better actualize the mission and values of Winona State University.
