In Support of the Yellow Ribbon Program

Whereas, this program allows institutions of higher learning in the United States to voluntarily enter into an agreement with the VA to fund tuition and fee expenses that exceed the tuition and fee amounts payable under the Post-9/11 GI Bill;

Whereas, institutions voluntarily enter into the Yellow Ribbon Agreement with the VA and choose the amount of tuition and fees that will be contributed;

Whereas, the VA will match the institution's amount and issue payments directly to the institution, on the students' behalf;

Therefore, be it resolved, that President Reimler and the Winona State Student Senate request that Winona State University enter into agreement with the VA to participate in the Yellow Ribbon program for the spring semester and 2018-19 academic year.
