In Support of Bike Lanes

Whereas, promoting the safety of students is a primary responsibility of Student Senate.

Whereas, biking is a primary mode of transportation for students within the Winona community.

Whereas, the creation of bike-friendly infrastructure, especially along Huff Street, would protect the safety of students and allow greater movement throughout the city.

Therefore, be it resolved, WSUSS recommends President Ellgen write a letter of support on behalf of the student body in favor of the proposed bike striping project to be presented at the September 16th, 2019 Winona City Council meeting.

A handwritten signature in black ink that reads 'Benjamin Ellgen'.
