In Support of Menstrual Products

Whereas, menstrual products are a necessity for the hygiene of many students on campus.

Whereas, the need for menstrual products places a burden on students who may not be able to afford them.

Whereas, students may not be able to attain menstrual products while on campus in an emergency.

Whereas, a pilot program for free menstrual products was implemented in the Spring semester of 2019 in Kryzsko Commons and received positive feedback and reduced stress for many students on campus.

Therefore be it resolved, WSUSS recommends that Winona State University implements ten new free menstrual product dispensers in the following places on campus:

- IWC 1st floor female restroom by concession stands
- Darrell Krueger Library 1st floor gender-neutral restroom
- Somsen 1st floor general-neutral restroom by engagement center
- Stark 1st floor female restroom
- Helble 2nd floor female restroom
- Maxwell 1st floor female restroom
- Performing Art Center 1st floor gender-neutral restroom
- Pasteur 1st floor female restroom
- Minne 1st floor female restroom
- Phelps 2nd floor female restroom

Therefore be it further resolved, WSUSS recommends the implementation of ten new menstrual product dispensers in the restrooms listed above by the beginning of the Fall semester 2020.
